

CONDO 100 COURSE

Invaluable for new Directors, Board members and owners who are interested in being aware of the overall process of Condominium Management and administration.

This session includes:

- How condominiums are created and governed,
- Board administrative and financial responsibilities,
- Management considerations
- Meeting protocol.
- Annual Plan
- The Act Regulations & Bylaws
- Board confidentiality & Conflict of Interest
- Best Practices, Insurance, insight into your Director role and more...

join us as we help shed light on these topics!
