

# BUDGET Lunch & Learn

*Condominium Corporations are volunteer run but operate like businesses; with hundreds of thousands of dollars coming in and going out each year. The success or failure of proper budgeting can have real consequences for the financial health of the corporation. This seminar will cover some basics and best practices for developing and issuing budgets with emphasis on understanding what the numbers tell us.*

*This session includes:*

- **Basic terminology**
- **Key areas to consider for the next years' budget**
- **Key areas to focus on when reviewing financial statements**
- **Creating an arrears protocol**
- **Financial reporting and monitoring**
- **Understanding what the numbers tell you**
- **Communicating changes to owners**
- **And more !**

**Wednesday May 29, 2019 11:30 am - 1:15pm**
