

As the South Saskatchewan Chapter of the Canadian Condominium Institute attempts to grow, more people are needed to help with a variety of projects and tasks. The Chapter needs your talents to help establish and enlarge some committees, such as education, governance and membership. We are currently looking for new Board Members too.

There are lots of opportunities for you to get involved and help make the South Saskatchewan Chapter better and more responsive to your needs. Have a knack for writing? Maybe submitting an article for the newsletter is the right volunteer opportunity for you. Do you enjoy teaching or giving presentations? Maybe helping deliver a seminar or course appeals to you. Maybe you enjoy meeting people and helping out a few times each year. Your time would be appreciated in helping plan events and helping with the setup or registration. Maybe you think we need to do something about taxation. Do we have a job for you!!

Whatever amount of time you have to commit, your help is always welcome to keep the SS Chapter thriving and growing.
